## Youmin Hwang

**Q. You finished the first round with a 3-under 69. How do you feel about today?**

YOUMIN HWANG: I got a birdie in the beginning. Since then, I've been frustrated. However, I vowed to play with confidence. I scored a good score.

**Q. How was the golf course setting?**

YOUMIN HWANG: The pinflag location was fine. The green speed was also well adapted.

**Q. What was different from the practice round?**

YOUMIN HWANG: I could see better where the ball should not fall.

**Q. Is there a ball that you remember?**

YOUMIN HWANG: Mistakes were made in the second and third shots on the 17th hole. I thought a 16-foot distance putt went in, but the ball went around the hole and came out. It was a shame. The scene doesn't leave my mind.

**Q. What do you need to make up for?**

YOUMIN HWANG: There were no birdies in the 100-yard inner shot. I missed the putting chance. I will focus on creating birdies.

**Q. What's your future strategy?**

YOUMIN HWANG: Since I play for a day, I will try to play better.
