## Jeonghyun Lee

**Q. You finished with a 2-under 70 in the first round today. How do you feel?**

JEONGHYUN LEE: In the beginning, I had a lot of opportunities, so I recorded a lot of birdies. However, mistakes were made in back nine holes. It was a wind calculation and a shot mistake. I lost my score. It's a pity that I lost my score at the end.

**Q. How was the course setting?**

JEONGHYUN LEE: Since it was the first day, the location of the pinflag was easy. The green speed was similar to the practice round.

**Q. There are two players who record seven birdies. What about this part?**

JEONGHYUN LEE: Thanks to the putter, I recorded a lot of birdies today. But it's a sad day because I recorded a lot of bogeys.

**Q. What do you plan to supplement?**

JEONGHYUN LEE: It doesn't seem to be as windy as I thought. I need to calculate well.

**Q. What's your future strategy?**

JEONGHYUN LEE: It seems important not to make mistakes when recording birdies. For the remaining three days, I plan to reduce the score when I can.
