## Natalli Gupta

**Q. Natalli, thank you so much for joining us. 3-under par in the second round for you here at the Women's Amateur Asia-Pacific, 1-under total. Are you happy with your performance so far?**

NATALLI GUPTA: Yeah, it was a good day on the golf course today. I think I had five birdies today.

**Q. That's plenty. Lots of highlights for you out on the course. Can you talk to us about any that stood out as highlights, any key moments for you?**

NATALLI GUPTA: Not really. I was just trying to not short-side myself today and play aggressively to all my lines and just hope for the best.

**Q. Obviously we're here in your home in the United Arab Emirates. Is it a good source of pride for you that you've made the cut in your first WAAP out here at home?**

NATALLI GUPTA: Yes, it's a huge honour to be representing the EGF. I've lived here all my life. It's incredible to be able to make the cut here.

**Q. Of course your brother played last week in the AAC, and I believe you've done better than him already just by making the cut. Will you go home and have some bragging rights in the family?**

NATALLI GUPTA: We're not quite like that. He's probably really proud of me.

**Q. Do you think he'll be out here watching you the next couple of days support you?**

NATALLI GUPTA: No (laughter).

**Q. Now, tell me, how are you feeling heading into the next two days?**

NATALLI GUPTA: I feel pretty good. I'm going to go work on my swing and some putting and just see how it goes the next two days really.

**Q. Is there anything in your swing or putting that you feel is not quite there at the moment, or is it just general practice and preparations?**

NATALLI GUPTA: I kind of didn't gauge the speed so well the first few holes, so maybe a bit of speed work and short putting.

**Q. Despite not gauging the speed well, you still managed to make five birdies out there. That must give you some confidence heading into the next two days.**

NATALLI GUPTA: Yeah, I'd say I put myself in all the right places today. Just kind of worked out really.
