Q. Natthakritta, thank you so much for joining us. You had 4-under par today in the second round of the Women's Amateur Asia-Pacific, 10-under total, leading. You must be very pleased with how you're performing.

NATTHAKRITTA VONGTAVEELAP: Great today. I shot 4-under without bogeys today. Yes, it my goal for today was 4-under, which I achieved.

Q. Congratulations. It's always nice to achieve your goals. Also, to have a 68 and no bogeys, you must have been playing very nice golf?

NATTHAKRITTA VONGTAVEELAP: Yeah, first nine holes my tee shot not really well, but I did approach great today so I have many chances to make birdies. But I missed a lot.

Q. You also made quite a few, four birdies, so very good.

NATTHAKRITTA VONGTAVEELAP: Yeah.

Q. At home you're known as Sim 300 because you can hit your driver such a long way, but today you said you were trying to be accurate with your driver. Is that correct?

NATTHAKRITTA VONGTAVEELAP: Correct. Every time when I'm in competition, I will think how to hit driver straight.

Q. So for you, it's not paying attention to trying to hit it a very long way but to hit it straight?

NATTHAKRITTA VONGTAVEELAP: Yeah.

Q. That's very good. Now, of the four birdies, which one stands out as a highlight?

NATTHAKRITTA VONGTAVEELAP: My highlight today

was on the 2nd hole because my hybrid is very nice, and I hit it very straight. Almost got eagle again.

Q. How far was the eagle putt?

NATTHAKRITTA VONGTAVEELAP: Five yards from hole.

Q. And what happened? You just missed it?

NATTHAKRITTA VONGTAVEELAP: Yeah, a bit. I remember it had left, so I give it left right here, and I missed it like this.

Q. You tapped in for birdie?

NATTHAKRITTA VONGTAVEELAP: Yeah.

Q. Now, leading the championship, are you feeling confident for the next two days?

NATTHAKRITTA VONGTAVEELAP: Yes, tomorrow I will be more confident than today, and it will be more serious for me.
