## Ashley Lau

**Q. Ashley, thank you so much for joining us. 3-under in the second round of the Women's Amateur Asia-Pacific, 6-under par total. Very consistent performance from you so far.**

ASHLEY LAU: Yeah, I would say it was definitely a slow start of the day for me. I parred my first 11 holes. I drained a 25-footer on the 12th, and that got me going for the rest of the day.

**Q. Talk to us about that hole where you made your first birdie there.**

ASHLEY LAU: Honestly, I wasn't expecting it. I was actually on the fringe. I wasn't on the green, and it was a downhill left to righter. I was just like I'm going to two-putt this, and it went in. I was like, okay, I'm going to keep on rolling.

Made birdies on 6 and 7 as well. So yeah, 3-under.

**Q. And bogey-free, that must always fill you with some confidence?**

ASHLEY LAU: Yeah, today was definitely a day where you just hit it on the green, 20-footer, and you putt. So it was that kind of a day where the pars came really easily. I didn't really have to do a lot of work to make pars.

**Q. When you are going on such a long run of excellent golf and just pars, does it start getting a bit frustrating, you're having to kind of keep your cool so as not to force it?**

ASHLEY LAU: Honestly today I told myself just don't expect anything. My goal coming into today or starting the round today was really to not try and force anything, and I really achieved my goal because I told myself just stay patient. You're playing some great golf, and it's just not dropping. So just stay patient and it will come.

**Q. Do you feel like that will be the same game plan heading into the next two days?**

ASHLEY LAU: Yeah, that and really just to enjoy the game throughout the next two days.

**Q. Talk to us about your experience so far here at the Women's Amateur Asia-Pacific.**

ASHLEY LAU: I love it. First time in Abu Dhabi. I don't think I would have ever come here if it wasn't for this tournament. And the food's amazing. I'm getting spoiled by dessert. So I'm going to be very sad when I go back to the states.
