Huai-Chien Hsu

Q. Huai-Chien, thank you so much for joining us. 5-under here in the second round of the Women's Amateur Asia-Pacific. Happy with your performance?

HUAI-CHIEN HSU: Yes, I'm really happy with it.

Q. I certainly would be too because you've gone two rounds with no bogeys. That's exceptional golf.

HUAI-CHIEN HSU: This is a really big breakthrough for me as I've never played bogey-free before. I'm really happy that I shot no bogeys. I just want to keep trying to follow the plan tomorrow and in the final round.

Q. Five birdies for you today. Which one stands out as a highlight?

HUAI-CHIEN HSU: I would say every one is a highlight because yesterday's iron was not as accurate as today. Also, the putting today I think is really great.

I just saved a par from a 58 chip and then hit the pin and then made a one-putt. I just think it was awesome.

Q. It certainly sounds awesome to us too. Now, bogey-free heading into the third round. Will you be thinking about that when you're on course and trying not to make any or just playing your game?

HUAI-CHIEN HSU: I think I will just play my game, just keep hitting more fairways, more greens. Then for birdies, I just have to follow the nature of the game.
