## Xiaowen Yin

**Q. Xiaowen, thank you so much for joining us today. 3-under here in the third round, 6-under total. How are you feeling about your performance today?**

XIAOWEN YIN: Today it was perfect on the front nine, 4-under.

Back nine, 1-over. I don't really feel good about the back nine because I had a lot of chances to make birdies, but it feels pretty weird. My shots are pretty good, the irons and also the tee shots, they are good, but I just can't putt in and make birdies. It's pretty weird.

**Q. I think there are lots of positives to take from your front nine today. You had four birdies on the front nine. What was the highlight from the day?**

XIAOWEN YIN: I think my irons today. Yeah, it was pretty good. I think maybe 15 greens out of 18. Yeah, it was pretty nice.

**Q. Exactly. Lots of positives to take from today's round. As we've mentioned, a really lovely front nine today. You played a fantastic back nine yesterday. Put the two together tomorrow, and you must have some confidence that you could potentially get a good score out here.**

XIAOWEN YIN: Yes. So 4-under, 4-under, yeah, 64 (laughter).

**Q. What do you feel like you need to do this afternoon to try and make that happen tomorrow?**

XIAOWEN YIN: I think take some rest. It was really hot. Maybe I'll do a little practice, but maybe not. I think I have to take a good rest for today because the last day, I think, is hard for everybody.
