Huai-Chien Hsu

Q. How did you feel about your results in this round?

HUAI-CHIEN HSU: I don't think I played well today as the teeings and irons were not that ideal. But, in general, the result is acceptable. Honestly, it is hard to stop me putting as too many thoughts and expectations on today's playing because I did well yesterday.

But, as a whole, I still think it is not bad today.

Q. Did you change your strategy or tactic from that of yesterday?

HUAI-CHIEN HSU: No, I did not. It is same as before.

Q. Tomorrow is going to be the final. Do you have any special strategy and preparation?

HUAI-CHIEN HSU: I think I need to be more patient and not rush, stick to my plan. The mistakes I made were mainly because I was a bit rushed today.
