## Anika Varma

**Q. 1-under here in the final round. 10-under to finish the Women's Amateur Asia Pacific. Can you reflect on your week for us?**

ANIKA VARMA: My week's been filled with a lot of ups and downs. Some really good and amazing holes and some not so great.

One of the highlights is the amount of bogeys I made. I only made three bogeys this week, which is actually pretty good.

Just taking a lot of positives. My game's improved. I finished better than the last few tournaments I've played. The Women's Amateur Asia-Pacific in Sentosa. And it's just been a good week. A lot of happy moments and sad moments. But overall really happy with how the week turned out.

The course is in a great condition and I just hope to be back next year.

**Q. A top 10 finish for you this year must fill you with a lot of confidence to see how your game matches up against some of the best players in the region?**

ANIKA VARMA: Yeah, it's definitely, like, really nice to make a top 10 finish. But the only way is going up from here. So hopefully it gets closer and closer to winning a tournament and just meeting new people, meeting my friends again and just play this tournament again next year and have fun.

**Q. What will be your lasting memory from the Women's Amateur Asia Pacific?**

ANIKA VARMA: Going to be a lot. But I would say my approach to the game has been so good this week. I want to carry it on for my next few tournaments and keep the momentum going on and have confidence in my game. Because if I can finish in the top 10 in such a big tournament then that means I do know how to play golf, I am pretty good at it, and just trust myself while playing.

**Q. What's next for you?**

ANIKA VARMA: I go to school in California. So I have my high school state's tournament coming up in Poppy Hills or Poppy Ridge on Tuesday. So I get back Sunday and I play Tuesday. Then after that a few AJGAs and probably Cactus tournaments to sum up the year. It will be pretty good.
