## Kelsey Bennett

**Q. Welcome to the Women's Amateur Asia-Pacific here in Thailand. How are you feeling so far?**

KELSEY BENNETT: Really good. Played this morning. I really like the setup of the course and how it's laid out. So, yeah, I'm feeling confident.

**Q. As you said, you just played your practice round. What's your first impressions of the course?**

KELSEY BENNETT: I love the greens. They're really good. They're tricky, but they're really true to the way they're running. So I'm looking forward to hopefully holing some putts.

**Q. How are you feeling coming into the tournament this week?**

KELSEY BENNETT: Good, good. I've been playing quite well recently. I played really well in this event last year. Hopefully I can back it up and keep going.

**Q. There's a lot of stake, if you win obviously this week with the two majors. What does that mean to you to have that opportunity?**

KELSEY BENNETT: It would be fantastic, especially to play at Augusta. It would be unbelievable.

Getting a start in a major as an amateur is one of the biggest goals ever. So definitely that would be really good.
