## Audrey Tan

**Q. 2-under here in the second round of the Women's Amateur Asia-Pacific. Are you happy with that performance today?**

AUDREY TAN: Yes, I'm happy with that performance. It's definitely better than yesterday, but I feel like I still left a few shots out there, so there's still room for improvement for tomorrow.

**Q. Talk us through the round; what stood out as highlights for you?**

AUDREY TAN: I think I made some clutch par putts that really helped me keep that momentum. Still missed a few long shots, but yeah, putting definitely came in today.

**Q. The greens out here are quite tricky. They're very slopey. It must fill you with confidence to know that you're rolling it well?**

AUDREY TAN: Yes, it's very pure, so I love these greens. They're running smooth. They're running fast. I love them.

**Q. What do you feel like you need to do over the next few days?**

AUDREY TAN: I feel like I need to find my rhythm full swing wise just to get the ball flying a little straighter. That would definitely help.

**Q. In a nice position heading into the weekend; are you feeling confident?**

AUDREY TAN: Yes. I mean, I'm just going to go out there and do the same things, enjoy my round and enjoy playing here.

**Q. The Malaysian girls are playing so well this week; what's your secret?**

AUDREY TAN: I'm not sure; you'll have to ask them. I'm just here.

**Q. Tell us a little bit about yourself and your year**

since we saw you last year.

AUDREY TAN: Yeah, gosh, it's been a good year. A couple highlights in the U.S., college golf-wise, so I think that definitely helped me come into this event. I just finished an event the day before I flew, so it's been pretty hectic, but just loving the game really, just enjoying myself out there, playing and just taking whatever I get, and just enjoying this opportunity to play here again.
