## Jeneath Wong

**Q. Jeneath, I'm sure we're all aware what the highlight of your day was here at the Women's Amateur Asia-Pacific. Tell us about that hole-in-one on the 7th.**

JENEATH WONG: Yeah, I hit a pitching wedge. It was, I think, 104 metres slightly into the wind, and I hit it pretty well. I didn't think it was going to go in, but it went in. I was really surprised.

**Q. And you saw it go in?**

JENEATH WONG: Yeah.

**Q. Was there a big celebration? How were you feeling?**

JENEATH WONG: Just really excited. I didn't really want to make any more mistakes after that, but I need to try to keep the momentum after that.

**Q. I believe that's your fourth hole-in-one, but the first time you've had one in a big championship like that. Does it make it even more special?**

JENEATH WONG: Yes, it definitely makes it a lot more memorable. That will definitely be one of the highlights here.

**Q. TV captured it, and I can see you got your phone in your hand there. Have you got a lot of nice messages from back home?**

JENEATH WONG: I haven't really checked yet, but I'm pretty sure a few.

**Q. Talk to us about the rest of your round. How did you find it out there?**

JENEATH WONG: I didn't play too great. I missed a couple of greens, but I finished 2-under in total. So it wasn't too bad.

**Q. And how are you feeling heading into the weekend?**

JENEATH WONG: Just really happy and thrilled just to play in this tournament. I just want to do my best and just see how it goes.
