Rianne Malixi

Q. Rianne, well played today. 2-under in the second round, 5-under total at the Women's Amateur Asia-Pacific. Another good day for you. Are you happy?

RIANNE MALIXI: Not quite. I missed a lot of birdie opportunities today. So, yeah, I could have been better today.

Q. But does it give you confidence for tomorrow knowing that you can set yourself up for those birdies, you just need to convert?

RIANNE MALIXI: Yes, just need to convert.

Q. Talk to us about the best hole of the day for you.

RIANNE MALIXI: It was on the front nine. I liked the 10th hole, my first tee. I had a 50-yard shot and then just had six feet left, had a left-to-right putt, and then wham, it went in.

Q. Wham, just as easy as that?

RIANNE MALIXI: Yes, just like that.

Q. You really put yourself in a great position on the leaderboard heading into the weekend. Are you excited for what the next two days bring?

RIANNE MALIXI: For sure I'm excited. Just try to make myself level as much as possible, just trying to be more focused and stick to the same game plan.
