Teng Teng Hun

Q. At least you made the cut, congratulations. What happened today?

TENG TENG HUN: Not patient enough for every shot. I just hit the ball right away. I did not think. I did not aim. I did not read the pin properly. I just hit every time.

Q. And was the wind a factor?

TENG TENG HUN: No same as yesterday. It was not very windy.

Q. So what are you going to do tomorrow?

TENG TENG HUN: I'll be more patient. I will read the lines, aim before I hit the shot.

Q. Very good. Good luck tomorrow.

TENG TENG HUN: Thank you.
