Q. You did two bogeys on First 9. After that, you recorded two birdies in Back 9. You hit a 72 with a bounceback.

There was a driver error at the beginning of the first half. I couldn't catch what I was trying to catch yesterday. I was also shaken by the driver on the eighth hole. The putt didn't go well either.

In the second half, both drivers and putts returned. That's a good sign. There were many opportunities to record the birdie, which is unfortunate. Still, I'm satisfied that I succeeded in a bounceback.

Q. After the second round, you talked about complementing the driver. What will you make up for today?

I will focus on putting today. I will practice driving a driver tee shot in the driving range while rolling the ball on the practice green. And I'll take a break.

Q. Your caddie is your mother. You and your mother have been together for three days in this week. The two talked about What did you two talk about?

I'm with my mother. She follows me well even though I'm having a hard time. We talked a lot about putting today. It's about how to get the ball in well. We are overcoming hardships together.

Q. In the interview at the end of the second round, you said, 'I can win.' Is it the same today?

Of course. I'll win. My dream is AIG Women's Open. I'm going step by step towards the ticket. I've done well so far. I'll play the fourth round calmly.
