**Q. Jeneath, you finished the championship at 3-under. How would you summarize your week?**

JENEATH WONG: It's just a really good experience playing this tournament. It's pretty good except the last hole that happened today.

**Q. What happened on the last?**

JENEATH WONG: I kind of pulled my second shot into the water. Cost me and I finish with a double, yeah.

**Q. Okay. Well, not always the nicest way to finish, but you did have a big highlight this week with the hole in one.**

JENEATH WONG: Yes.

**Q. It's been exciting across the board.**

JENEATH WONG: Yeah, definitely the hole in one kind of made it a bit better.

**Q. So you told us about the lowlight of your round today. Can you tell us about the highlight? What went well out there for you today?**

JENEATH WONG: My putting kind of improved a little. I holed a few more putts for birdie, so it kind of was working a bit more today.

**Q. Looking at this championship what does it mean to you to be able to compete in such a big, elite championship in the Asia Pacific region?**

JENEATH WONG: It's just an honor playing in this tournament. I wish to play it next year.

**Q. Do you feel like there is anything that you learned this week that you'll be able to take forward as you keep playing?**

JENEATH WONG: Just how different players play different kind of shots and how they approach the hole differently.
