Yujie Liu

Q. You've just come off your first round here at Women's Amateur Asia-Pacific Championship. Can you talk us through your round?

YUJIE LIU: Today for me, the score is pretty good because I played bogey-free and got two birdies. So it's a really nice score for me. Then my full swings and chipping and also the putting, there were no big mistakes. So all of them were pretty good.

Q. Is there anything you need to work on this afternoon going into tomorrow? What's your plan?

YUJIE LIU: For this afternoon, I think I'm going to the gym. I'm not sure if I'm going to practise on the course or not because I need to rest.

Q. Were there any holes that stood out for you today that you need to work on or that were really good?

YUJIE LIU: I think it's the 8th hole. The chipping was a bit short so I think I'm going to work on that chipping.

Q. Were there any that were really good today that you were really proud of?

YUJIE LIU: Yeah, the two birdies. All of them are really good, and also the putting. The line was pretty difficult, but I still made it.
