## Vanessa Richani

**Q. I know sadly maybe not the result that you wanted this week, but how did it go out there for you today?**

VANESSA RICHANI: Honestly, it went better than yesterday, so I am happy about that. It was a really cool experience. I mean, I came and did what I was here to do, which was representing my country, and I'm happy, and it was a good experience.

I'm not sad about it; let's just say that.

**Q. You still made a birdie out there, though. What did work well for you out there?**

VANESSA RICHANI: My irons were really good today, which was nice. My putting was good, too. Honestly, my whole game was good, just a couple of holes out there that I messed up on. Yeah, but overall it was good. Everything was going pretty well.

**Q. What are you going to take away from it?**

VANESSA RICHANI: I'm going to take away just taking one shot at a time and not getting too ahead of myself.

**Q. What are your goals for the future now going forward?**

VANESSA RICHANI: Continue to better my game and try to grow the game in Lebanon and go over there this year and see where things go from there.

**Q. Do you hope to play in Women's Amateur Asia-Pacific again?**

VANESSA RICHANI: Yes, I love this championship. I want to be back.

**Q. Has it motivated you this week to do better and continue playing?**

VANESSA RICHANI: Yeah, it really motivated me, and I feel like because the field was so strong, it made me play better, so that was nice.

**Q. Have you learned anything from the girls out there?**

VANESSA RICHANI: Yeah, I've learned that age is just a number. There are some young girls out there, and they have amazing games. It's good to see that the future of golf is looking good. That's nice.
