## Jaymie Ng

**Q. Can you talk us through your round today, please.**

JAYMIE NG: Today I think I did pretty well, just that my putting wasn't working the way I wanted it to. I was actually striking it pretty decently, but just putting wasn't working well today.

**Q. You got a bogey out there today. Can you talk us through that?**

JAYMIE NG: Yeah, double bogey. Yeah, sorry, hole 3.

JAYMIE NG: So, actually, on the fairway my ball was in a divot, and I tried to hit it cleanly, but I hit it a bit too clean and it went over the back, like at the back that's just a cart path. So it rolled all the way to like a hazard, like the bridge, on the bridge of the hazard. So I can't take a free drop because it's considered to be in the hazard. So I just hit it from there.

Yeah, I made a three-putt after that. So it wasn't the best way to start, but I managed okay.

**Q. You got a birdie out there?**

JAYMIE NG: Yeah.

**Q. How did that go?**

JAYMIE NG: It was the hole before, and I hit 8-iron in, so I hit it to about 6 feet, and I sank the putt. It was pretty cool.

**Q. Anything you'll be working on this afternoon going into the final day?**

JAYMIE NG: I think I will focus on the short putts, like short putting and lag putting because, yeah, today putting wasn't working so well.

**Q. You learned a lot this week, do you think, from the experience?**

JAYMIE NG: Yeah, I think it was great. The pins out there and the conditions were pretty tough for me. Like, it wasn't

the usual conditions. So, yeah, I think I handled myself pretty well.

**Q. What are your plans for after this week, your goals for the future? Will we see you back here for the next women's amateur?**

JAYMIE NG: Yeah, for sure, hopefully. After this, I will play in the SEA Games, yeah, and I might play in Japan as well. So exciting times ahead.
