## Sarah Hammett

**Q. Can you talk us through your round today?**

SARAH HAMMETT: Well I started off slowly. I doubled the second hole. So I was 2-over for awhile. Made a birdie and then went to 3-over. And then birdied 9 as well. Whole group birdied 9, so that was pretty cool. Then I had some opportunities for birdies from 9 through 13. Made two. Got it back a bit. Made a couple of bogeys on the way home. Birdied 17. Yeah, so solid round.

**Q. Which of those birdies stood out to you? Can you talk us through it?**

SARAH HAMMETT: I think my birdie on 12 was pretty good. I pulled my drive left and then I hit it to about 10 foot and holed that for birdie. So I thought that was pretty good.

**Q. What were you playing with?**

SARAH HAMMETT: Sorry? What was I playing with?

**Q. What club were you using?**

SARAH HAMMETT: Oh, pitching wedge.

**Q. What are you going to be working on going into tomorrow?**

SARAH HAMMETT: I think I'm going to go down to the putting green and hit a few short putts. Didn't hole as many as I would have liked. Just to get the speed of the greens, that would be important for tomorrow.

**Q. Are you feeling good?**

SARAH HAMMETT: Yeah, I'm feeling really good.
