Q. Can you talk us through your round today, please. You had lots of birdies out there. Really solid day.

YUNA ARAKI: I'm very happy. I made 4-under today, but I did bogey the first and the last. So this was something I could make better tomorrow.

Q. What happened on those holes that you need to improve on?

YUNA ARAKI: I'm going to have a practice after an hour and try to adjust maybe direction of my short game.

Q. But what happened on the birdies? Can you talk us through what happened, what clubs you were using, any particular birdies that were really good?

YUNA ARAKI: I don't think I made a birdie for four holes, but I tried to make birdie for 18 holes. I made six birdies, so I was really happy.

Q. Is there one of those couple of birdies that you're really proud of, that you can discuss and talk us through what happened?

YUNA ARAKI: 12 and 13.

Q. What happened?

YUNA ARAKI: In the practice round I put a ball in the water, so I'm very proud of myself today like I got birdie on 13.
