## Eila Galitsky

**Q. Started at the 10th?**

EILA GALITSKY: Uh-huh.

**Q. What happened there?**

EILA GALITSKY: Honestly, just the tee shots, bad tee shots, bad second shots and left myself difficult places on the greens I guess.

Yeah.

**Q. What about on 18? What happened there? Was it your second shot? You pulled it?**

EILA GALITSKY: Yeah. There was a really big piece of mud stuck to my ball on the right side. I knew it was going to go left, but I didn't know how far left.

I did aim to the right but still kind of went a lot left. I actually hit that really, really good.

Tough luck today.

**Q. On the greens is it a case of misreading or not having the pace today?**

EILA GALITSKY: Yeah, I think my reads were pretty good today. It was just maybe my stroke and the pace. I don't know, nothing just felt right today.

**Q. But it's only halfway. Still in a decent position.**

EILA GALITSKY: Yep.

**Q. Keep going? Still got some confidence for the weekend?**

EILA GALITSKY: Yeah. I mean, I'm playing the weekend, so after today's round, pretty thankful for that.

**Q. When you're in a round like that, you look to be getting down on yourself, how do you stop that or get yourself back into the moment?**

EILA GALITSKY: I know I can do well. Just try to finish the round as good as possible. I just know that I can probably get something going the next two days.
