Arianna Lau

and I'm very excited to be here, very honored to represent Hong Kong. Yeah, thank you to everyone who made the championship possible and I'll just do my best the next two rounds.

Q. Arianna, congrats on your round today.

ARIANNA LAU: Thank you.

Q. So yesterday you had four bogeys, three birdies for 1-over. Today you turned it around pretty well for bogey-free and five birdies. Can you tell us how pleased you are with your round today?

ARIANNA LAU: Yeah, I'm pretty happy with my round today. I didn't make that many mistakes and I was able to like stay patient and just focus shot by shot. I didn't really get too ahead of myself because I knew I would have lots of birdie chances, even if I wasn't able to convert them.

So just today my mentality was good. To be able to bounce back from yesterday after reflecting and just do better today, I'm really happy.

Q. That's great. Yeah, so it was really a lot of reflection; you would say that's the reason between the two days?

ARIANNA LAU: Yeah. With my caddie, my mum. We just went through the holes. We like kind of found how the pin positions and like just did some preparation. I had a lot of confidence going into today.

Q. And in terms of now you're through to the next two days. How are you going to approach the next two days?

ARIANNA LAU: I'm going to use a very relaxed mindset. I'm not going to set too many expectations for myself. Just try to enjoy the last two rounds because I'm really happy to be here at the WAAP.

Like to play four rounds is already such an honor, so I will just go in with the same mindset as today and play the best I can.

Q. How has the whole experience been for you?

ARIANNA LAU: It's been great. This is my third WAAP
