Hyojin Yang

Q. Congratulations today. 7-under for a total score of 6-under. Can you tell me about your round today?

HYOJIN YANG: My shot is very good, so that makes a good score.

Q. Were you very happy with your round today?

HYOJIN YANG: Yes, I'm very happy.

Q. Can you tell me a bit more about the eagle on 18?

HYOJIN YANG: On the 18th hole, I hit the 5-wood following the driver. I tried to hit 3wood, but there was a lot of undulation on the green. In the third shot situation, I swung to a 50-degree wedge. The ball went straight into the hole. It felt so good to record an eagle. I also recorded a birdie on the last hole. It was a happy day.

Q. And what was the main difference? Yesterday you had 1-over. What was the difference between yesterday and today?

HYOJIN YANG: The game didn't go well yesterday. But today, I managed to hit the shots I wanted to. So, I got a good score.

Q. And for tomorrow, so you're in the mix to fight for the title. Are you going to change anything or still the same?

HYOJIN YANG: I will approach the weekend with the same mindset as today. I will have fun and make good shots.
