Q. Can you tell me how you feel about your performance so far?

SEOJIN PARK: Yesterday, we were in the morning tee off and today was the afternoon, and it was pretty windy today.

But still, my shots were good, but my putting was not that good. I'm not as proud about my putting today.

Q. First time competing in the Women's Amateur Asia Pacific.

SEOJIN PARK: Yes.

Q. And how has the whole experience been?

SEOJIN PARK: It's kind of some holes are tricky, but still not that bad. There are some hard holes; not that hard.

Q. And you have made the cut. How proud are you of that accomplishment?

SEOJIN PARK: I didn't really think about the score.

Q. You're going to compete the next two days. Are you going to change anything? What are you going to work on?

SEOJIN PARK: I think I will work on maybe iron shots and putting, just maybe as same today, but I will play my driver better.
