Yahui Zhang

Q. Congratulations Yahui. So today, you had three birdies, bogey-free. Can you tell me about your round today?

YAHUI ZHANG: I don't feel really comfortable today so I think it's a pretty good score today. I got 3-under so I think that's a pretty good score.

Q. You said you're not comfortable today. Any reason why?

YAHUI ZHANG: I'm on my period.

Q. The last time you played here, you were tied 13th. How will that experience help? Do you feel you know the course better?

YAHUI ZHANG: Yes, I have a lot of experience because you can play with a lot of players and you can learn many things. You also learn how to control your emotions. That's the skills.

Q. So what are you going to do now? Are you going to practice now or rest?

YAHUI ZHANG: I'll just have a rest. Then check some problems today and talk to my coach, and maybe we will discuss it.
