Justice Bosio

Q. Congratulations, Justice. T5 at the moment; 7-under today. Tell me how your round went.

JUSTICE BOSIO: Yeah, obviously 7-under, bogey-free, really good. Kind of a cruisy day. Yesterday I didn't really sink any putts, but I feel like everything went in today, so that was really nice.

Q. It was 4-under the first day, 1-over yesterday, and today you have 7-under. What was the change that happened, especially from yesterday to today?

JUSTICE BOSIO: Just did a little bit of work on putting after the round yesterday. Put some confident strokes on the putts today and they dropped.

Q. Now you're in the share, you're up there. What's the mindset? Anything going to change going into the final day tomorrow?

JUSTICE BOSIO: Just similar mindset for tomorrow. Go out, play golf, put confident strokes on putts, hit greens, and hopefully shoot a good score.

Q. Both you and Caitlin had pretty good rounds today. How was it playing together?

JUSTICE BOSIO: Yeah, it's always good playing with someone you know, having someone to chat to while you're walking and always better when both of you play well, too.
