Hyosong Lee

Q. Congratulations. Very good round of golf for you today. Can you tell us how you assess your round?

HYOSONG LEE: In general, it did go really well, because it is expected, as I planned, so I'm pretty much happy with the round today.

Q. You had lots of birdies out on the golf course. Is there one that stood out as a highlight?

HYOSONG LEE: Putting today was very good, so that's why I made six birdies.

Q. You moved your way up the leaderboard into contention for the final round. What is your goal for tomorrow?

HYOSONG LEE: Even if I'm a part of the leading group, I try to focus on my game as I planned in the first place.

So no matter what happens, and I don't really, really think about the winning itself. Just focus on my game tomorrow.
