## Pimpisa Rubrong

**Q. Congratulations. So 4-under today for a total of 12-under. Can you tell me about your round?**

PIMPISA RUBRONG: So today I hit 4-under. I just hit the same as two days ago, but sometimes I just do not make the putt, like a short one, that I can make a birdie. So yeah, five birdies for today.

**Q. So you're in fifth position now. In previous years, you did not make the cut, so it's going well for you. What has been the difference this time for you?**

PIMPISA RUBRONG: So this time, after I make the cut, I just feel I have made an improvement, more than last year because I just practice a lot.

**Q. And what is your mindset going into the final day tomorrow?**

PIMPISA RUBRONG: For tomorrow, I think I am going to make more birdies so I can have more chances to go to the top.
