Hyosong Lee

Q. Congratulations, Hyosong. Can you tell us about your round today?

HYOSONG LEE: Basically, in the front nine, I didn't really do as well as I expected, and the putting wasn't really stable; I was a little struggling.

But I tried to keep calm and wait for the chance, and at the back nine, it came through. So it went well overall.

Q. How would you assess your whole performance this week?

HYOSONG LEE: Although there are a few holes I regret and some mistakes; overall, I'm pretty satisfied with my performance and scores.

Also, it's a little bit higher than the last time I participated two years ago, so I'm pretty much happy with that.

Q. What is next for you?

HYOSONG LEE: We still have our National Team camp, which is in the Chonburi area, so I want to finish the training camp well, and then, probably in early March, I may have a chance to participate in the professional tournament, which is the Singapore Women's Open. So I want to have a better performance in that tournament.
