Q. Great round for you today; clubhouse leader. How are you feeling out there today? 7-under.

SEO JIN PARK: Of course I'm so happy for the first round, and I didn't expect the leading as clubhouse leading. It went more than 80% as planned and strategy. At the moment I'm so proud of myself and happy.

Q. You said 80% as planned. What was the 20% that was unplanned? A couple small mistakes out there?

SEO JIN PARK: Today in general I'm satisfied with my long game and driver and second shot, but comparably this is my first round, and I was a little bit struggling with putt, especially the middle putt.

So I'm hoping the rest of the tournament I am more focused on practice on the putting.

Q. And heading into tomorrow's round, do you need to change anything apart from putting, or just play the same way as today, fix more errors?

SEO JIN PARK: Even though I made some mistake but I'm not going to change any plan. It's all good for what I have planned. So I'll try to be more confident on my game and a little bit more focused on the putting, yeah.
