## Inez Ng

**Women's  
Amateur**  
ASIA PACIFIC

**Q. Inez, T13 at the moment. Difficult way to finish, but front nine must be extremely happy with.**

INEZ NG: Yeah, I hit the ball really well today and gave a lot of opportunities for myself. I mean, I couldn't really hole that many putts and I didn't end the way I wanted to, but overall solid day for me.

**Q. The conditions out there, a lot of the girls were saying was quite windy. Did you find that as well?**

INEZ NG: Yeah, I would say definitely picked up after midday. The wind started getting a bit stronger which made it a little bit tougher.

But just got to keep grinding out there.

**Q. What's the plan of attack tomorrow? Have some lunch, shake that last couple holes off, and tackle this tomorrow?**

INEZ NG: Yeah, just going to get a quick lunch to eat and probably head to the putting green to hit some putts and do a little bit of maintenance work on my swing.

**Q. Some of the other girls said the greens are undulating here. Are they similar to any greens you've played before?**

INEZ NG: This is a golf courses where there is a lot of like sections on the golf course and a lot of slopes. I think I've seen it before, so I think it's just important to hit the right areas. Makes your life a lot easier.
