PIMPISA RUBRONG: Like today my game is pretty good but I lost a lot of -- I had like six birdies in like 18 hole, but I miss a lot, like five bogey.

I think today on the back nine I feel like it's wind is coming and it's hard to control the balls. Everything is going hard because of the pin location, yeah.

Q. Feels like 3-under might be a good score by the time the afternoon group goes around as well. You must still feel confident in your position in the tournament.

PIMPISA RUBRONG: Yeah, I think we still have two more days and everything can happen. Yeah, I think I will do my best like every day and control my feelings. Like sometime when I miss a bogey I feel like really bad.

Q. How is your ankle feeling? You had a trip earlier in practice. Feeling 100%?

PIMPISA RUBRONG: Yeah, like after accident is happen I'm go to the hotel and recovery; use the ice to makes me feel better.
