## Arianna Lau

**Women's  
Amateur**  
ASIA PACIFIC

**Q. Arianna, still well in the hunt for the championship.  
How was the round today?**

ARIANNA LAU: Today was definitely tougher than yesterday because the wind. Like it blew basically the opposite direction of like the past like three days in the practice rounds, so it took a bit of adjusting and getting used to. The pins were tougher today because a lot of back pins, so putting was more challenging.

But I'm glad I held in there, because I didn't make many birdies today and it was like on the last putt. I'm glad to like make a long putt for birdie and just finish strong.

**Q. It's always good to finish a round like that I guess.  
A bit of momentum heading into tomorrow?**

ARIANNA LAU: Yeah. Tomorrow I'll just like go in with the same mindset. Even though today was not my best score, I still feel very positive mentally. It's just such like a good experience playing with like my playing partners today and tomorrow. Really looking forward to it.
