Q. Sarah, great round today; 5-under. Bit of everything in this round today; fair to say? Talk us through it.

SARAH HAMMETT: Yeah, so I started off with a bogey and then I got a birdie so I got it back. Then there was another bogey in there and a birdie to get it back.

Then I chipped in on hole 7, which definitely got the ball rolling. Birdied the next hole. As soon as I hit the back nine I started hitting it closer and giving myself plenty of opportunities and was able to convert a few to get the round to 5-under.

Q. Your week, feels like the last couple of rounds you played have been building to this good round. You're in a really good spot in the championship. How is your game feeling?

SARAH HAMMETT: Yeah, my game is feeling pretty good. The first round my putter wasn't quite on, and then the last few days I've been rolling some really good putts, so I'm really happy where that's at.

I'm striking the ball pretty good, but, yeah, I think there is a little bit to tidy up this afternoon.

Q. What's the plan this afternoon? Are you one to watch the leaderboard before you leave the clubhouse, or have some lunch, go to the range, go home?

SARAH HAMMETT: Yeah, I'm probably put it on TV when I get back to the room just to watch. Yeah, I'll go to the range and just chill; maybe go for a swim; do some stretching. Yeah, that's pretty much it the rest of the day.

Q. Have you been to Vietnam before?

SARAH HAMMETT: No, this is my first time in Vietnam.

Q. How are you enjoying it?

SARAH HAMMETT: Yeah, it's really good. We went into Hoi An on the first practice round day I think and went to like all the markets and the lanterns and the boats. That was really cool to see. Just so different to where we live back in Australia.
