Q. Pimmada, again, another great round from you. Your game is very consistent this week. Can you talk us through that round?

PIMMADA WONGTHANAVIMOK: I would say today that Mother Nature was a little kind to us. There is slight breeze and it makes the game way easier. I think my approach shot like went to the spot that I could make the putt and I make a lot of short putts as well, and then, yeah, turned out pretty great.

Q. You're in a good spot for the tournament tomorrow.

PIMMADA WONGTHANAVIMOK: Uh-huh.

Q. How do you prepare this afternoon? Will you watch any of the last few groups or straight to the range? Straight to the hotel?

PIMMADA WONGTHANAVIMOK: I would say we had a pretty long week. I might go up and have some lunch and then go rest. I would say I would do whatever I did today because I think I kind of adjust what I missed couple days ago and then it turned out great.

So I'm going to try to do again, yeah.

Q. I love asking golfers if they're superstitious. Are you superstitious at all? No?

PIMMADA WONGTHANAVIMOK: I feel like I'm pretty technical player. I'm more like a yardage book nerd than like superstitious player. I think it turned out great actually, yeah.
