Q. Pimpisa, solid round for you today. How do you feel about your round today?

PIMPISA RUBRONG: Today I feel like it's pretty good round. Also like after nine hole I had like 4-under, so I got to 4-under, and then I got to like two holes for three putt, so just finish like 2-under today.

Q. Simple mistakes to fix for tomorrow. Will you be pretty aggressive out there tomorrow? Might be off earlier. Conditions might be in your favor.

PIMPISA RUBRONG: I feel like today is not really windy like yesterday. The pin is hard but like no wind, so everyone can make a birdie. I think tomorrow hopefully the wind is not coming, yeah.
