Q. Arianna, just finish the your fourth Women's Amateur Asia Pacific Championship. Really solid week from you. How are you feeling after the tournament?

ARIANNA LAU: Yeah, I'm so glad that I finished strong today. It was such a good experience and I really enjoyed it and had fun this week.

I think after yesterday because second and third round I had like a pretty tough rounds, I struggled with putting but I told myself not to give up and like it's golf. You never know what will happen and anything is possible.

So that's what I reminded myself today, and I just continued to stay really patient and the putts did drop today and I made like two long putts for birdie, and I'm just glad to like finish strong and not give up.

Q. Looking like equal best performance at this tournament. Very early, but how about next year? Will you look to play at Royal Wellington?

ARIANNA LAU: I'm not decided yet because I go to college, and my college schedule, but I really hope I can play. I'm looking forward to it.

Q. Have you played in New Zealand before?

ARIANNA LAU: Yes, I played last year.
