**Q. Elin, you've just finished the Women's Amateur Asia Pacific Championship with a great round of 5-under. Are you happy with that way that you finished your round?**

ELIN WANG: I'm really surprise about that. And I got seven birdies for today and I think my irons are really good today because I got to like 12 or 13 3-woods to about 4 yards for birdie chances and I got seven in, so I think my putts are good today. Yeah.

**Q. Have you played this tournament before?**

ELIN WANG: No, first time.

**Q. So great debut in this tournament. What did you learn playing in an environment like this?**

ELIN WANG: Because this tournament got big winds and I think I need to stress my driver longer, because I'm 14 years old so my driver is short, like 230. So I think it's not enough for this tournament. I need to be more longer in the future.

**Q. And this tournament next year is in New Zealand at Royal Wellington. Do you plan to play next year?**

ELIN WANG: If Hong Kong GA give me the chance.
