Jazy Roberts

**Women's
Amateur**
ASIA PACIFIC

Q. Jazy, 5-under to finish. Are you happy with how you played this week?

JAZY ROBERTS: Yeah, definitely am. It's a lot better than I've done the last two years. Yeah, to play the way I did today after maybe not playing so great yesterday was a nice comeback.

Q. Really good bounceback. Really good bounceback from the last couple years as well. This is your best result by far in this tournament. Have you changed anything in your game over the last 12 months, or is this course familiar to you?

JAZY ROBERTS: I haven't really changed much. It would probably come down to more experience. I've had a lot of opportunities in pro and amateur tournaments the last few years. I'm getting used to it all, and being at the top of the leaderboard is nice.

Q. What's coming up in the next couple weeks?

JAZY ROBERTS: Just a few amateur tournaments back at home, and might head over to Europe and America to go and play some tournaments.

Q. Royal Wellington next year for this tournament. Something you got your eye on and hope to play as well?

JAZY ROBERTS: Hopefully. I don't know really where I'll be, but if I'm still amateur and still playing good enough, hopefully, yeah.
