Q. Soomin, a really great result for you. You were very, very close at the end, but you seem very happy with your result?

SOOMIN OH: I'm not gonna lie, of course I'm a bit disappointed. But it doesn't mean -- my game wasn't disappointing. As I said yesterday, today, I really enjoy my game and I also played very well. I'm proud of my game and myself.

So that's why I'm happy with what I did. But a little bit disappointed with the final result.

Q. What's next for you coming up? What tournaments are you planning on playing?

SOOMIN OH: My next traveling for the tournament will be the Sage Valley in the States, and then one week after the Augusta National Women's Amateur.
