Q. 6-under 66. Best score this week. How was today?

SEOJIN PARK: Today I think I had a very good round for myself, so I think my iron shots were so good and my putting, it was very good.

So I think I had a very good round today.

**Q. Today you logged in your scorecard eight birdies.
What birdies you mostly made?**

SEOJIN PARK: Mostly it was almost all in like two meters, so I think my shot was very good.

Q. How do you prepare for tomorrow now, final round?

SEOJIN PARK: Like for myself, yesterday's pin position was very hard for me. Today was very easy position for me, but tomorrow I'm not sure where the pin is going to be. But I think it's just the last round, so I will just try my best every shot.
