## Archie Davies

**Q. Well done winning at the 22nd, that was a tough battle?**

ARCHIE DAVIES: It was. I didn't have my best stuff. It was such a grind. Found something on the like 21st hole, my swing, whatever, and started hitting it better. Yeah, eventually got it done but yeah, it was a grind.

**Q. Happy to be finished and through to the next round?**

ARCHIE DAVIES: Yeah, definitely. Yeah, I just take tomorrow as comes. I don't know who I'm playing or anything yet. Yeah, tomorrow is a new day so look forward to it.

**Q. Thoughts on the course and how have you managed it out there?**

ARCHIE DAVIES: I hit it in a lot more bunkers today than I did in the stroke play. So yeah, I'll try not to go in them the rest of the week. No, I putted great. I kept myself in it with my putter, birdied 18. I was 1-down going 18, birdied it to force a playoff and holed a 20-footer on the second playoff hole to keep it going again. Then yeah, on the 4th, hit two good shots on green and won it. It was good.

**Q. When you win and you have to really grind out that win, what does it do for the confidence? Does that boost it?**

ARCHIE DAVIES: Yeah, I think like today, probably the way I started playing in terms of hitting it but to know that I can still get the job done and get the result is really great, and yeah, just keeping moving this week and keep getting better.
