Richard Teder

Q. You must be over the moon with minus ten for two rounds of golf. Pleased with that?

RICHARD TEDER: Yeah, a hundred percent. I was hitting a lot of greens, putting really well. Just everything was going my way.

Q. You enjoyed the condition here obviously. Was it easier here than Southport?

RICHARD TEDER: I think they were quite equal. I played good on both. The course condition is amazing, and I cannot ask for more.

Q. Your results this year, you seem to be playing pretty well in your homeland in Estonia. Showing a lot of promise?

RICHARD TEDER: Yeah, I spent six months in Spain this year with my coach, and it seems to be paying off.

Q. What's the benefit for you of that time? Is it driving? Is it putting?

RICHARD TEDER: Yesterday was putting for sure. And then today driving was really good, and then irons, as well.

Q. How far did you want to go when you arrived? Was it just try and get through to match play and then see what happens?

RICHARD TEDER: Yeah, I just tried to get to match play but ended up tied second in the stroke play.

Q. Is this the first time you've played in this?

RICHARD TEDER: I was supposed to play last year but then I caught Covid the day before the tournament. I also played the first practice round and then couldn't come.

Q. So it's nice to be back and enjoying it?

RICHARD TEDER: Yeah.
