# R&A THE AMATEUR CHAMPIONSHIP

**Q. Really well-played today, that was a convincing victory this afternoon?**

TOMMY MORRISON: Yes, thank you very much. It was nice.

**Q. Can you talk us through the match?**

TOMMY MORRISON: I didn't believe I had it from tee-to-green. But I saved myself around the greens and holed some putts that eventually end up going my way.

**Q. You said you were good around the greens. Links golf is different to what you play, especially around the greens. What was it about that you liked?**

TOMMY MORRISON: It's my first time out of the country (USA) and first time in England. But I've enjoyed playing the bump-and-runs and enjoying the links golf short game. It's definitely a different look from back home playing in the States but I feel that I've got some nice touch around the greens right now and that definitely worked to my favour.

**Q. Were you working on that coming into this week?**

TOMMY MORRISON: Yeah, a hundred percent. I just knew how different it was and thankfully I've adapted quickly.

**Q. Is match play a format usually like and excel in?**

TOMMY MORRISON: I enjoy it. We don't play much match play back home but I had a match-play event last summer I did well in. I feel like it's a format that I've had success in, so I enjoy it and thankfully the rest of the week is match play.

**Q. What was it that made you decide to come across and play in The Amateur Championship?**

TOMMY MORRISON: Something I've wanted to do for a while. I've heard about The Open and The Amateur Championship for a while. I just feel blessed to be over here. I'm so glad I did come because everyone appreciates golf over here to almost another level. That's

very -- it's pleasing to me.

**Q. Convincing win today. Does that boost the confidence for tomorrow?**

TOMMY MORRISON: Yeah, I feel great. I gained some confidence from today's win and hopefully I can go tomorrow.
