## Louise Duncan

### Q. Thoughts on your performance today?

LOUISE DUNCAN: Bit of a mixed bag, really. Started off with a good bogey to be fare. I got a wee bit unlucky with some bunkers, but yeah, managed to steady the ship and got back to level and then just kind of dropped a few shots coming back in.

But overall, happy with that, and I know I can build on that tomorrow and hopefully make the cut. It's tricky out there, just need to not have any disasters.

### Q. The wind's up today and the weather conditions are a bit trickier. Is that a factor how things unfolded?

LOUISE DUNCAN: Not really to be honest with you. I'm used to the wind, so I just kind of try to hit greens and 2-putt, really. Just tried to make pars and not any disasters as I said.

But I'm happy with how I played. I haven't played all week coming back from the Curtis Cup, so I'm happy with how that went.

### Q. It's a long-term game, obviously you have to get through stroke play before you get to the match play. Is it a case of getting through that stroke-play qualifying and resetting for the match play stages?

LOUISE DUNCAN: 100 per cent. It's happened so many times that the last person gets in, beats the top seed. So I just need to get through the stroke play and I'll be happy.
