## Roisin Scanlon

**Q. First of all, how do you feel after today's performance? Are you happy?**

ROISIN SCANLON: Yeah, I was kind of surprised the way I played. I went expecting a round like that today.

**Q. Three birdies on that opening nine holes, what was it that made those birdies special in any way?**

ROISIN SCANLON: I was just holing a lot of putts and getting close to the pin, I think was key.

**Q. And the weather conditions have calmed a wee bit; did that play in your favour?**

ROISIN SCANLON: Yeah, I think it was windy for the front nine and then as you got to the back nine it died down, so it was very helpful.

**Q. And in looking forward to the sort of match-play stages, are you feeling confident? Does a round like that give you confidence going into those stages?**

ROISIN SCANLON: Obviously there are some players that got to come this year but couldn't do it last year because of, like, travelling, and so I was a bit nervous. But I'm feeling for confident in my round.
