## Alessandra Fanali

**Q. 7-under and currently leading, you must be satisfied?**

ALESSANDRA FANALI: Yeah, I'm very satisfied. Very good day, birdie, birdie, first two holes and kept going. Made other two birdies and was 4-under after 11 holes. Then it got a little bit slow, made some bogeys, and finished good with a birdie on 18.

**Q. You've played some tournament so many times, five times you were mentioning. It must be satisfying to get up at the top and show some dominance early?**

ALESSANDRA FANALI: Yeah, it does. I actually like this tournament. I've been playing very good here so I'm excited for the next days.

**Q. How do things change for you now into the match play?**

ALESSANDRA FANALI: You just go for it. Don't even think about the score. There are some holes here that you have to be careful about the match play. Doesn't really matter. I have to be careful but depend on the other player, too.

**Q. Being a top qualifier, people will obviously see you and know that you're a threat. Do you think the competition will be high out there?**

ALESSANDRA FANALI: Yeah, I mean, we'll see. We have a saying in Italy that we'll never say right now because it's not good luck. But I'm excited for the next couple of days.

**Q. What would it mean for you in your career if you were able to continue on this form throughout the week and potentially win the whole thing?**

ALESSANDRA FANALI: That would be nice. It's my last time playing this tournament because I'm turning pro in the summer. It would be nice for sure.

**Q. Tell us about that segue into turning professional.**

# R&A THE WOMENS AMATEUR CHAMPIONSHIP

ALESSANDRA FANALI: I'm going to do LPGA qualifying and LET qualifying, and then we'll see. If I make the LPGA, I'll pore sure play there. If not, I might do some American and your even tournaments.

**Q. And this form not a surprise for you, you played on LET last week and made it to a playoff.**

ALESSANDRA FANALI: Yeah that was awesome. I came back from the U.S. in college and I was happy to be home. It was fun. I played very good, too. It was just a beautiful week for sure.

**Q. That must give you such a big confidence boost to be able to match up with the pros?**

ALESSANDRA FANALI: It did. And it feels like I'm playing a different golf right now mentally. It helped.
