## Emilie Paltrinieri

**Q. All right. Emilie, welcome in to the hot two rounds of 69. Very consistent golf. You must be really pleased.**

EMILIE PALTRINIERI: Yeah, I am very happy. I'm happy with my attitude on the course. I was pretty calm and steady throughout the 36 holes. So I'm very happy.

**Q. You finished at the top of the leaderboard. You'll be seeded No. 2, which means you won't get the top qualifier course, so that's a perfect score.**

EMILIE PALTRINIERI: Okay, yeah, that's perfect. Is it because I finished later?

**Q. That's because --**

EMILIE PALTRINIERI: Better round?

**Q. Better round today, 7-under from the other ladies. So, but, yeah, tell us how satisfying it is. You've been in good form, and to finish at the top must be really pleasing.**

EMILIE PALTRINIERI: Yeah, it is. My short game was amazing. I made some very long putts, which I'm happy about. And tomorrow, I mean, it's a new tournament starting tomorrow. It's match play, so it will be fun.

**Q. Do you enjoy playing match play?**

EMILIE PALTRINIERI: Yeah, I love match play. I think it's fun. You can take a few aggressive lines, and you never know until the end. So I'm excited.

**Q. Two rounds of 4-under. Do you think it will be enough in match play? It's pretty consistent golf.**

EMILIE PALTRINIERI: Yeah, I mean, it's -- I think 4-under wouldn't be a bad start, but obviously we'll see based on the conditions, too, and on the wind.

**Q. How much have you enjoyed playing here at Hunstanton on a couple of lovely sunny days?**

# R&A THE WOMENS AMATEUR CHAMPIONSHIP

EMILIE PALTRINIERI: Yeah, I'm clearly overdressed. I've been sweating all day because it wasn't expected. But I've -- the sun is never bad. So I've been enjoying it a lot. It's a beautiful course.

**Q. You R&A Girls' Amateur. What would it mean to you to make a double and win the R&A Women's Amateur this week?**

EMILIE PALTRINIERI: I mean, it would be pretty amazing. Obviously the tournament is still very long. So just think about my match tomorrow morning, and then we'll see from there.
