## Anna Zanusso

**Q. So 6-under you shot today? How happy were you today? That was a really good round.**

ANNA ZANUSSO: Yeah, I was really happy, also really happy with my game. I think yesterday I left some shots on the course, and today, I took advantage of the par 5s. Definitely a good score and stroke-play result.

**Q. Tell us about the eagle at 11.**

ANNA ZANUSSO: Yeah, the par 5 was downwind. I hit a really good driver and was just 120 metres from the pin. I hit this 50-degree to probably 20 feet and I made the putt. That definitely helped my score today.

**Q. You join two more of your teammates in the match-play stage. Is there a friendly rivalry between you all?**

ANNA ZANUSSO: Yeah, I think there is some good, friendly competition. But I'm really happy we all played really well and we are at the top of the leaderboard. I hope we all play well in the match play. I hope to see them later in the week.
